**3800 SH w/  
Stock Black Laminate**

**United Window & Door has premiered a revolutionary new single-hung window product platform. The United 3800/3900 Series features two unique profiles... traditional brickmould or contemporary flat profile.**

**Boasting features such as a standard DP-50/PG rating, the new single hung line from United will also be available in a multitude of coating and laminate options - *including being stocked in black laminate.***

**The 3800/3900 Series is available as single hung, picture window, slider, twin, triple, transom and shape window styles, and comes with the protection of United's *Lifetime Warranty.***

**\*Note - Actual window color may slightly differ due to monitor resolution and/or printing limitations.**
