Obsessed with PERFECTION ***Focused on INNOVATION***

Series 6100 Garden Window

Brighten your day with more sunlight and greenery!

Our unique 6100 Series Garden Window is a high-end vinyl window with a slim-line design for maximum viewing area.

The four-sided glass enclosure and optional glass half shelf provide natural light and ample space for year-round gardening.

Crafted with the highest quality, virtually maintenance-free rigid vinyl, the Series 6100 Garden Window is designed for beauty and build for energy-efficient performance.

Let the sunshine in...
