NEW CONSTRUCTION

Black/Black

NOW AVAILABLE!

Our tried and true **double hung** new construction window now features a stylish and extremely durable black coextrusion finish.

BLACK **ACRYLIC**
coextrusion

Onyx™ black acrylic coextrusion delivers the most durable black finish in vinyl windows to date; Guaranteed to never peel, warp, blister or flake. United utilizes a black acrylic coextrusion process in which the black colored acrylic material is molecularly bonded together with the vinyl material as it is being formed.
